CANCELLATION MEMO

To: Motorola’s Valued Customers
 Date: 23rd Oct 2020
 Subject: Cancellation Notice of FM batteries

Notice is hereby issued that MSI will no longer accept orders for replacement batteries for FM3610_88 radios starting 20th November 2020. All FM Intrinsically Safe standard 3610-88 batteries will be cancelled effective 20th November 2020, with no replacement. The FM3610_88 standard has expired in 2012, after which MSI began phasing out production of FM3610_88 radios and associated accessories, such as replacement batteries. Due to normal manufacturing component obsolescence pressures, regrettably, MSI will no longer be able to build and sell FM batteries beyond the 8th year anniversary of the FM3610_88 expiration. The last order date for Motorola FM batteries is 20th November 2020 or while supplies last, and only delivery terms no later than 31st March 2021 will be accepted.

Last Order Date: 20th November 2020, or while supplies last
 Last Shipment Date: 31st March 2021, or while supplies last
